## **Homework**

The weekly homework packet will be distributed to you by every Monday, and you also need to turn in your packet from the previous week.

Homework is uploaded to MS TEAMS folder.

Join code for 7<sup>th</sup> grade advanced track is **4kcetfk**

Join code for 7<sup>th</sup> grade beginner's track is **6btcp15**

Every Monday, students should submit their work from the previous week and begin to work on the next homework. Because each student has one week to complete their assignment, **so no late work is accepted.**

## **Classwork**

**For listening and speaking**, I'll post a weekly 3-5 min video for you to know how to complete your classwork and we'll have 5-10 minutes daily to complete this work. To complete classwork, we'll be using Flipgrid. Please check on the website information before you record your 3-5 min video.

Flipgrid: <https://help.flipgrid.com/hc/en-us/articles/360051542894-Getting-Started-Students>

**For reading and writing**, we'll have 10 minutes daily at school to do our writing portion. Please complete it daily during class session.

## Quiz

**Unit quiz:** a summative assessment after finishing monthly instruction.

Monday: 10/4, 11/1, 12/6, 1/3, 2/7, 3/7, 4/4, 5/2

Wednesday: 6/1

## Daily pop quiz

I'll provide a vocabulary list to students, and I'll select a few words from the list. The pop quiz can be done in a lot of ways.

### (1) Dictation

Teacher reads a vocabulary and student writes it down on the notebook.

Response exemplar:

Teacher says <sup>zhōng guó</sup> 中国

Student writes <sup>zhōng guó</sup> 中国 on their notebook

### (2) Make sentences

Teacher selects a few target vocabularies and students use each vocabulary to make a sentence.

Response exemplar:

Teacher selects <sup>zhōng guó</sup> 中国 and asks students to use it to make a sentence.

Student writes <sup>zhōng guó</sup> 中国 <sup>shì yí gè hěn dà de guó jiā</sup> 是一个很大的国家。 <sup>tā zài yà zhōu</sup> 他在亚洲。

### (3) Write a short paragraph

Teacher selects a group of target vocabularies and students need to use all of them to write a short paragraph.

Response exemplar:

Teacher selects <sup>zhōng guó</sup> 中国, <sup>cháng chéng</sup> 长城, <sup>cháng jiāng</sup> 长江 and asks students to use these three vocabularies to write a short paragraph.

Student writes <sup>zhōng guó shì yí gè hěn dà de guó jiā</sup> 中国是一个很大的国家。<sup>tā zài yà zhōu</sup> 他在亚洲。<sup>zhōng guó lǐ miàn yǒu yí gè hěn dà de jiàn zhù</sup> 中国里面有一个很大的建筑，<sup>jiào zuò cháng</sup> 叫做长

<sup>chéng</sup> 城。<sup>chú le cháng chéng zhī wài</sup> 除了长城之外，<sup>zhōng guó hái yǒu yí tiáo hěn cháng de hé</sup> 中国还有一条很长的河，<sup>jiào zuò cháng jiāng</sup> 叫做长江。

## **Late work policy**

Since I allow one week window to submit your classwork and homework, and one month window to submit your monthly project (for example, the homework distributed by 8/23 should be turned in by 8/30), I won't allow any re-do, unless you have plausible reasons, such as sickness. If you provide doctor's note, you'll get one week extension.
